AUSSIE NASH HASH 2013 BRISBANE INC. – NEWSLETTER No 3 JANUARY 2012

Date: 2013, May 3rd 4th 5th Long weekend

Hi all Hashers out there and welcome to 2012.

We thought we'd update you all on the progress of Aussie Nash Hash 2013 as at the end of 2011. We've got 275 registrations to date - 14 of whom have yet to send their Rego Forms so we know who they are – (As one Hasher said to me recently – I sent my money and I know who I am – why do you need a rego form as well!! YIIEEEEE!!). The registrations come from a total of 79 different clubs from 7 Australian States plus internationals from New Zealand, Papua New Guinea, Malaysia and Scotland. These include the Famous Five who have done every Aussie Nash Hash (**SLAB, WHISKERS, BALLPOINT, REFILL & PANCHO**) and also the world-renowned **CHEE BYE** who has done every World Interhash. We've also received 155 Red Dress Run registrations. So we're pretty happy with this.

We regret not being able to bring in on-line registrations as we had originally planned, however the costs involved would have left us shelling out monies that could be better spent on grog, food and Hashers - so we decided to forget on-line registrations and spend the savings on booze – A much better investment!!

Many of you wanted to know what venue we were going to use – we've got confirmed bookings for 3 separate venues all within the Brisbane CBD area – we will decide which one it will be closer to the date dependant on which gives us the best final Hash deal at the time. We also have a further 2 back-up venues tentatively booked in case of any problems. In any event the venue will be close to the centre of Brisbane and with over 13,000 beds available accommodation will not be a problem. We will look into seeing if any particular establishments will give Hash specials but this will not be able to be negotiated until about mid 2012, which is 12 months before Aussie Nash Hash 2013. For those wishing to camp we have organised a venue on the north side of Brisbane and will have shuttle buses arranged between there and the venue during Nash Hash.

Pre and post lubes will be available on the Gold and Sunshine Coasts and separate Hash trips are planned to include Winery, Darling Downs and Moreton Bay Island trips – details to be published later but numbers could be limited on these.

As we advised earlier we have organised with a number of wineries and breweries to supply quality wines, beers, ciders, stouts etc and continue to carry out research into these areas diligently in the interests of all Hashers coming to Aussie Nash Hash in Brisbane – (IT'S A HARD JOB BUT SOMEONE'S GOTTA DO IT – HIC!!). We've already chosen one nominated HASH PUB and expect to have at least one other as well. (NO WE'RE NOT TELLING YOU YET AS WE DON'T WANT IT SWAMPED TOO EARLY!!)
